## ISO 9001 Certification for CAI

**ISO 9001:2008 Registration approved for Cell Applications, Inc., Jan 24, 2012**

**SAN DIEGO, Jan 24, 2012 --** CAI has obtained registration A2999US certifying that the company's administration systems have been assessed and approved to the ISO 9001:2008 <sup>[1]</sup> management systems, standards and guidelines. The approved administration systems apply to the manufacture and supply of human and animal cells <sup>[2]</sup> and related products for research use. ISO 9001:2008 sets out criteria for a quality management system, based on principles of strong customer focus, motivation of top management, process approach and continual improvement. Using ISO 9001:2008 will help ensure that CAI customers receive consistent, quality products and services. Certification was provided through QAS International. <sup>[3]</sup>
